

# Honda EU10i 1 kw Silent Petrol Generator + Free Honda Oil + Free Hours Meter

Prod Code: 5000-HOND-1

- Free Honda 600ml Bottle of oil worth £5.50
- Free Engine Hours Meter Fitted Worth £29.50 - Track the service life of your engine for maintenance requirements

Wherever you need power, the super-portable EU10i will deliver 1000W of clean, quiet electricity to run and recharge your kit, whether on your travels or around the home. Weighing in at just 13kg, the compact EU10i certainly packs in the power and features. Housed within its curved and ergonomically designed case is a highly efficient Honda 4-stroke engine, 2.3 litre fuel tank and inverter electronics. With a Honda EU generator you can be assured of peace and quiet wherever you are ...and equally important, whoever your neighbours might be. The fully enclosed, sound reducing casing keeps noise down to just 52 decibels\* - that's less than normal speech. Honda's unique EcoThrottle means the engine can take it easy too, only running as fast as the load demands to keep noise and fuel use to a minimum. Even starting a Honda is hardly a workout with auto-decompression making the pullstart a breeze and rubber feet to take out any buzzing vibration. You see, at Honda we put the effort into keeping things quiet - so you can just kick back and enjoy your surroundings.

## SPECIFICATIONS

Primary usage	Leisure Use
Type	Portable
Max output (W)	1,000
Voltage stability (%)	+ or - 1
Output voltage (V )	230
Rated output (W)	900
Frequency rating (Hz)	50
DC voltage (volts)	12
Power Stability	Inverter Technology®
DC current (amps)	8
Engine type	GXH50
Type	single cylinder 4-stroke OHV air cooled
Oil capacity	0.25 litre with Oil Alert®
Starter system	Recoil
Length (mm)	450
Width (mm)	240
Height (mm)	380
Dry weight (kg)	13
Noise Level (1/4 load) (dB(a))	52
Run Time up to (hrs)	8
Fuel tank capacity (litres)	2.30
Fuel type	Unleaded petrol
