

Honda EU20i 2 kw Silent Petrol Generator + Free Honda 600ml Oil

Prod Code: 5000-HOND-2

- Free Honda 600ml Bottle of oil worth £5.50

Delivering 2000 watts of portable power, the EU20i is the ultimate leisure generator for the more demanding user. This tough and compact unit is powerful enough for all kinds of tasks where you don't have access to the mains - whether you're abroad in the caravan or motorhome, working at the end of the garden, entertaining outdoors or even to provide emergency back-up when there's the inevitable power cut. With a Honda EU generator you can be assured of peace and quiet wherever you are ...and equally important, whoever your neighbours might be. The fully enclosed, sound reducing casing keeps noise down to just 52 decibels* - that's less than normal speech. Honda's unique EcoThrottle means the engine can take it easy too, only running as fast as the load demands to keep noise and fuel use to a minimum. Even starting a Honda is hardly a workout with auto-decompression making the pullstart a breeze and rubber feet to take out any buzzing vibration. You see, at Honda we put the effort into keeping things quiet - so you can just kick back and enjoy your surroundings.

SPECIFICATIONS

Primary usage	Leisure Use
Type	Portable
Max output (W)	
Output voltage (V)	230
Rated output (W)	1.600
Frequency rating (Hz)	50
DC voltage (volts)	12
Power Stability	Inverter Technology®
DC current (amps)	8
Engine type	GX100
Type	single cylinder 4-stroke OHV air cooled
Oil capacity	0.4 litre with Oil Alert®
Starter system	Recoil
Length (mm)	510
Width (mm)	290
Height (mm)	425
Dry weight (kg)	21
Noise Level (1/4 load) (dB(a))	52
Run Time	
up to (hrs)	10
Fuel tank capacity (litres)	4.1
Fule type	Unleaded petrol
